HOW WE BUILD YOUR DIGITAL SYSTEM.

From idea to launch — with compliance at every stage in our project management.

STAGE	WHAT WE DO	OUTPUT
1  Discover	Understand the business, audience, offer and growth goals.	 Strategy note
2  Design	Plan website, campaign, automation and lead journey.	 Growth blueprint
3  Build	Create landing pages, forms, creatives, workflows and tracking.	 Ready-to-launch setup
4  Launch	Run campaigns, test forms, check tracking and activate automation.	 Live campaign system
5  Improve	Review leads, performance, reports and conversion gaps.	 Improvement plan

We are aware of and sensitized to the complexities of **compliance ecosystems**.

FRAMEWORK	WHAT IT COVERS
GDPR	Lawful Processing, DSAR, DPIA, Data Residency
EAA/ADA	Accessibility (WCAG), Inclusion, Public Sector Access
